

Data Lens: Exploring Earth's Visual Stories

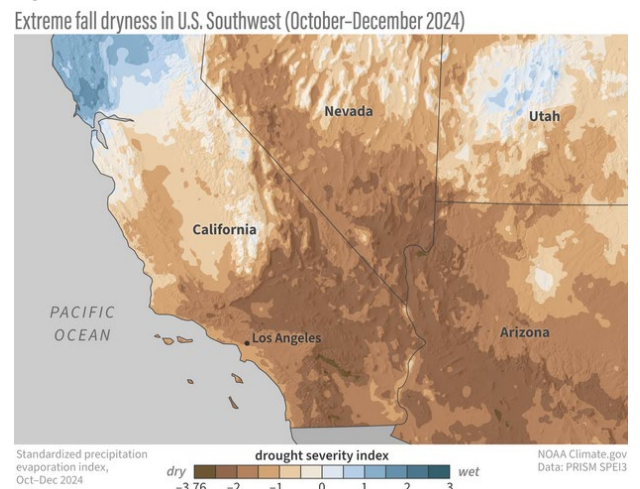

1. What is going on in the image(s) shown?
2. Pair Share Jigsaw: Split into pairs. Choose which to be Student 1 & 2.
Individually Student 1 – Focus on Graph 1; Student 2 – Focus on Graph 2.
Answer questions #3-4 on your worksheet. Pair up with your partner. Discuss and answer #5-6.

Figure 1:

Source: [Climate.gov](https://climate.gov)

Figure 2:

3. Write a few sentences that explain what you notice in the figure.
4. What surprises you, confuses you or what do you not understand about the information in the figure?
5. Write one sentence about the figure that your partner described to you.
6. How do these figures relate to the map that you looked at as a class, Precipitation Departure from Average – December 2023?

7. Reading Extension: Choose an article from noaa.gov/content/wildfires. Summarize the article in ~30 words. Present your summary to the class.
